Terms and Conditions

Please tick to accept

- I confirm all statements in this application to be true and correct, and that I understand all documentation submitted in support of my Professional Year application may be referred to the Department of Home Affairs for integrity checking.
- I understand and agree that if I am successful in my application I am expected to display a commitment to the program with 100% attendance for both class time and the internship and that less than 100% may result in my failing the Professional Year.
- I understand and agree that if EEA determines that I am not eligible to participate in the Professional Year in Engineering, this determination will not be subject to appeal, my application will not be processed, and I will be refunded all fees paid in full (excluding the \$250 Application Processing Fee).
- I understand and agree that completion of the Professional Year in Engineering is not a guarantee of permanent residency in Australia, that all decisions regarding permanent residency are made by the Department of Home Affairs and that EEA and Engineers Australia (EA) are not responsible for such decisions.
- I understand and agree that completion of the Professional Year in Engineering is not a guarantee of employment in Australia.
- I understand and agree that any refund of fees due to voluntary withdrawal from the Professional Year in Engineering prior to commencement of the program will be less the \$250 Application Processing Fee and any \$75 administration fee paid for change of payment method.
- I understand and agree that there is no refund on Professional Year fees paid once the program has been commenced.
- I understand and agree that in the event I withdraw from or fail the Professional Year in Engineering after commencement of the program, I am liable for all unpaid fees and, in the event I default on payment of these fees, that a collection agency may be engaged to collect the outstanding fees at my expense.
- I understand and agree that failure to meet instalment plan obligations may result in my being suspended from the Professional Year.
- I understand and agree that EEA, EA nor the provider of my Professional Year in Engineering takes any responsibility for my visa. Further, I will be required to submit evidence of a valid visa and/or MSA outcome letter prior to graduation from my Professional Year in Engineering.
- I understand that EEA is collecting the information I have supplied on this form for the purpose of processing and assessing my application to participate in the Professional Year in Engineering, and that failure to provide the information requested by this form may result in my application not being assessed or processed, which may render me ineligible to participate in the Professional Year in Engineering.
- I further understand that if my application is successful, the information collected using this form will be provided to one or more providers of the Professional Year in Engineering to facilitate my participation in the program, and to EA to facilitate my complimentary EA membership.
- I agree that I have read and understood the EA privacy policy (found at www.engineersaustralia.org.au/Privacy-Policy), which sets out how to make a complaint about a breach of the Australian Privacy Principles or a registered APP code (if any) that binds EEA or EA, how I can access the personal information EEA and EA holds about me, and how I can seek the correction of such information.
- I agree to EEA to use my personal information to contact me about professional development, associated events and latest news via an email update, to conduct analysis or market research to identify the ongoing needs of engineers, and to generally provide me with information on their services and benefits.
- I confirm I have read these terms and conditions and understand and agree to my obligations under them.
